

Better healthcare, realized.

IPRO is a non-profit organization that works with government agencies, providers and patients to implement innovative programs that bring policy ideas to life. For more than 40 years we've made creative use of clinical expertise, emerging technology and data solutions to improve the way the healthcare system works.

IPRO holds contracts and consulting agreements with federal, state and local government agencies, as well as private-sector clients, in all 50 states, the District of Columbia, Puerto Rico and the US Virgin Islands.
